1

SET-UP ALERTS AT PREDEFINED POINT:

Our platform offers features for parents to monitor their child's school transportation, including setting alerts for bus arrival at specific points for better planning.

2

QR CODE BASED SOLUTION

Parents receive updates on their child's boarding, alighting and school arrival status via a unique QR code for attendance, fostering trust and confidence by keeping them informed.

3

CUSTOMIZABLE NOTIFICATIONS

Our platform streamlines school transportation for parents and administrators with real-time updates, customizable notifications and stoppage alerts, ensuring ease and peace of mind with our user-friendly solution.

- View and apply Leave
- School Bus route with Pick up points
- Communicate with Drivers
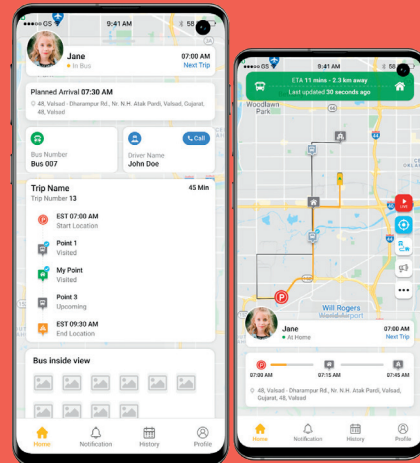

DRIVER APP

Driver app aids with directions to pick-up/drop-off points and provides crucial info about the children.

- Navigation/ Trip details
- Students Attendance
- List of upcoming trips
- Communicate with Parents
- Pickup Point Optimization
- Student Manifest

MANAGER APP

Effortlessly manage your platform with our advanced admin panel, real-time dashboard, and growth tracking.

- Moving cars, parked cars, untracked transport.
- View Student lists
- View Scheduled Trips, Instant Trips
- Get Notifications
- Communicate with Parents and Drivers
- See Vehicle details & Trip statistics

Our QR code based tracking makes Cool Bus distinct from regular tracking

Attendance Process

QR code technology revolutionizes attendance process, reducing errors and time.

Real-time Tracking

QR code technology allows accurate and real-time tracking of students, drivers and conductors.

Safety & Security

Parents and guardians can monitor their children's bus movements.

QR Code Technology

QR code technology has improved attendance, security and tracking for school buses.

What sets us apart from the competition are our distinctive features.

SCHOOL BUS MANAGEMENT & SCHEDULING

Bus operators can create optimized routes select pick-up and drop points and assign them a schedule as per school's academic calendar. Bus operators can ensure the on-time arrival and departure of buses.
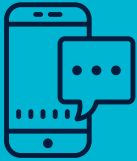

SMS/APP NOTIFICATIONS

Timely SMS/App Notifications inform parents of their children's whereabouts and provide timely updates on bus movement. We are committed to ensuring that our notifications are always delivered on time.

QR CODE BASED ATTENDANCE

QR codes help to track student's attendance and eliminate RFID systems that involve tedious attendance tracking and high investments for schools.

ENJOY PEACE OF MIND

With our advanced school bus tracking platform, schools can sit back and let Cool Bus do their work. School management will have real-time attendance of buses & students and have peace of mind by ensuring their students are safe during transit.
